

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at http://about.jstor.org/participate-jstor/individuals/early-journal-content.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SMYRNA—Cholera.

Consul General Memminger reports May 19:

During the period from May 8 to 17, inclusive, there occurred at Smyrna 9 cases of cholera with 7 deaths.

On May 18 the sanitary bureau stated that the 24 hours' quarantine imposed against Smyrna at Ottoman ports had been suspended.

VENEZUELA.

Plague at Caracas.

Consul Manning at La Guaira reports May 20:

Two cases of plague were officially reported at Caracas May 6 and

15, respectively.

Acting Asst. Surg. Stewart at La Guaira reports the occurrence of a fatal case of plague at Caracas May 19.

CHOLERA, YELLOW FEVER, PLAGUE, AND SMALLPOX.

Reports Received During Week Ended June 23, 1911.

[These tables include cases and deaths recorded in reports received by the Surgeon General, Public Health and Marine-Hospital Service, from American consuls, through the Department of State, and from other
